

Your Court

Performed in Japanese

The Chiten theatre company will present “Your Court,” a new work by one of its regular collaborators, Shuntaro Mataubara, whose play “Yama Yama” (“I Would Prefer Not To”) won the highly prestigious Kishida Drama Award in 2018.

Specially commissioned for the Kyoto-based company founded by its artistic director, Motoi Miura, “Your Court” examines Japan’s emperor system in relation to conventional ideas such as equality before the law, guaranteed minimum healthcare, cultural provisions, and the role of public opinion.

As well as the stagings of “Your Court” in KAAT’s large studio, another original version featuring special visual effects will be distributed online, with each work complementing the other in this exciting multimedia experience.
